FIFTEEN BOOTLEGGERS CAUGHT IN TOWNSHIP RAIDS LAST SATURDAY

Fines Net $2,000; One In Jail; Two Yet to Be Sentenced.

Saturday afternoon raids of bootlegging "joints" in Washington township netted fifteen offenders and $1,950 in fines with two sentences still to be passed.

The raiding squad was composed of constables, inspectors from District Attorney Earl Warren's office, and deputies from the office of Sheriff M. B. Driver. It comprised almost forty men, led by Lieutenant Oscar Jahnsen of Warren's staff. Eight cars were used in the surprise visits to various speakeasies.

Resorts visited by the squad had been "spotted" by undercover agents in an investigation which had been in progress for several weeks, Jahnsen said. The raid started about four in the afternoon and lasted until eight that night. Members of the squad were assigned to different groups which bore down on resorts in the same vicinity at the same time. The raiders' victims were immediately taken before Judge Allen G. Norris, at Centerville, who was holding special court session.

Offenders and their sentences were as follows: Tony Mello, Alvarado, $200, sale; Joe Colona, Decoto, 30 days because he was unable to pay a fine of $150 for possession; Piza Pratali, proprietor of the Wesley Hotel, Niles, $200, sale; Q. Philipei, Niles, to be sentenced Saturday after pleading guilty to sale; Antonio D. Innocenzio, Niles, $100, sale; Manuel Raymond, Irvington, $200, sale; Fred Froelich, Irvington, $200, sale; Tony Martin, Newark, $150, sale; Tony Silva, Newark, $50, sale; Oscar Neimuth, Newark, $50, sale; Tony A. Silva, Newark, $20;, sale; Tony A. Silva, Newark, $200; sale; Louis Ruschin, Newark, $200, sale; Manuel Silveira, Newark, to be sentenced Tuesday after pleading guilty to sale; John Nunes, Newark, $200, sale.

PARENT-TEACHERS MEET IN HAYWARD MONDAY MORNING

State Convention Plans Are the Main Topic of Discussion

Plans for the State convention, California Congress of Parents and Teachers, to be held in San Francisco, March 25 to 29, inclusive, will be given by Mrs. F. V. Vollmer, at the meeting of the sixteenth district, Monday, in Bret Harte school, Hayward, at 10 a. m.

The president, Mrs. W. B. Reynolds, will report on the district presidents' council held at the state board meeting in Fresno, March 10 and 11. Mrs. W. B. Carter, state lgeislature chairman, will read the legislative measures considered by the state board of parents and teachers.

Mrs. B. T. Reavay will announce the plans for the sixteenth district convention to be held April 27 in the Women's City Club, Oakland. Mrs. W. R. Morrison, district publicity chairman, will give the result of the year's publicity work and will announce the names of the units whose publicity record books have been chosen by the district to enter for the national honors.

Council presidents will give reports, and Mrs. J. B. Cutten, district high school chairman, and Miss Annie Ostrander, dean of girls in the Hayward Union high school, will discuss requirements of admission to the University of California for those entering in and after August 1931.

LAST RITES FOR LOCAL BABY HELD IN SAN FRANCISCO

Son of George M. King, Stonybrook Canyon, Dies Friday

Funeral services for George W. King, Jr., 2½ years old, son of George W. King and the late Helen M. King, of Stonybrook Canyon, are being held this afternoon in San Francisco. The baby died last Friday night in the East Bay Children's Hospital, Oakland.

Interment, following the services in the chapel of a San Francisco mortuary, will take place in Olivet Memorial Park, San Francisco.

The child was taken to the hospital over two weeks ago after contracting pneumonia. In spite of constant medical care and attention he finally succumbed to the disease late Friday night.

OFFICIALS VISIT MACMARR STORE LAST SATURDAY

Officials of MacMarr Stores, Limited, visited the Niles store Saturday on an annual inspection tour.

Emil Hegstrom, founder of the Mutual chain and present divisional manager of the MacMarr organization; A. H. Harlander, salesmanager of the Oakland division; H. C. Rosmond, secretary-treasurer; and Clifford Jensen, country supervisor, composed the inspection party.

They voiced their approval of the management of the local store, and Hegstrom remarked on the increase in civic pride shown over his last visit two years ago. He was especially impressed by the coming garden contest.

ALVARADO MAN IS BURNED TO DEATH AFTER EXPLOSION

Funeral Services Are Held Tuesday in Alvarado Catholic Church.

An explosion of gasoline setting fire to the clothing of Manuel Gularte, of Alvarado, resulted in his death Saturday. Funeral services conducted by Father Bray, of Newark, were held Tuesday in the Alvarado Catholic church, followed by interment in the Holy Ghost cemetery, Centerville.

Gularte was supposedly pouring gasoline into the tank of a tractor with the motor running, when an explosion occurred. Flames enveloped his body and before they could be extinguished by fellow workmen he was fatally burned. He was immediately taken to a Hayward hospital Saturday night.

He is survived by a widow, his parents, three sisters and three brothers. Botelho Mortuary, Centerville, took care of the funeral arrangements.

REMODELLING OF NILES BUILDING STARTED MONDAY

Remodeling the front of the La Victoria apartments was started Monday morning. When finished, the building will present a Spanish style front to the street, according to Mrs. Victoria Bellini, proprietress.

The front part of the lower floor will be made over into a modern three-room apartment. This section of the building has been unoccupied ever since the restaurant, whoch at one time occupied this space, was closed.

Charles Coyle, MacMarr store manager, remained at home yesterday because of illness.

E. DIXON BRISTOW TALKS BEFORE CHAMBER OF COMMERCE LUNCHEON

In a talk before the Chamber of Commerce Tuesday noon, E. Dixon Bristow, principal of the Niles grammar school, told of some of the measures now before the state legislature in Sacramento. Such a short time was allotted him and so interesting was his talk that he was requested to speak on he same subject again on March 31.

The first item to come up during the business session was a report on the park project just north of Niles by Harvey Braun, who says actual work has been started.

A report on the garden contest by W. B. Kirk told of the receipt of 3,000 bulbs which will soon be distributed. He also explained that business would prevent him from attending a meeting of the Mt. Diablo Park celebration committee on Saturday along with Braun and F. V. Jones as had been planned. Tickets for the whist party on April 9 were already distributed among the members he stated.

A letter was read from the Merchant Patrol of Hayward offering complete watchman and fire protective services at a nominal cost. A bill for the bulbs was also read and voted paid.

Following Bristow's talk, which occurred at this time, it was announced that Gordon B. Laing, horticultural commissioner of Alameda county, would speak at the next meeting, and the meeting adjourned.

Mrs. F. O. Bunting, Mrs. E. Chandler Now In New York

In a second letter to The Register, Mrs. F. O. Bunting, continues a description of her ocean trip in the Atlantic in company with Mrs. E. Chandler. The two women left Centerville on January 24 and, after sailing through the Panama Canal, voyaging among the West Indies, visiting New York and the New England states, will return home the last week in April.

Starting the letter with a few more details of their rough trip from Miami to Nassau, Mrs. Bunting writes, "I was glad to hear the weather in some other place besides California described as 'unusual'." She continues:

"We did not drive around Nassau much because of the terrific wind. The last day it quieted down and we did take the glass-bottomed boat. It is very beautiful, but so many wanted to take the trip that they hurried us through.

"We were most interested in the evidence of the great storm of 1928. Large boats appeared stranded far inland—carried by giant waves. There they lay, rotting in the weather. We asked if any lives were lost. The reply was, 'No, the larger boats that could went out to sea, and everyone else managed to get off the rest.'

"Leaving Nassau, we embarked on the 'Volendam', a large boat with the most gracious officers we have met. The boat is run on 'old' principles. At eleven, no matter how hot the weather, around comes hot broth. Passengers ask for iced tea, and if possible it is served.

"Dancing is supposed to be held on an upper deck, but it is too warm and the floor is still scrubbed white, a condition not wholly suitable for dancing. The stewards have suggested changes, but the old heads of the Holland American line cannot understand why there should be any changes.

"Santiago was most interesting, the curved 'S' of an entrance, the Morro Castle up high above, and the narrow spot where Hobson sank the Merrimac. There is a wreck still in the distance.

"Jamaica is the most beautiful island we have seen so far. It made us think of Java in foliage. We were driven across the island in the narrowest part—some forty-five miles. It was Saturday and it seemed the whole population were out for the market. Women carried from one to three large baskets on their heads, some

WESTERN PACIFIC ASKS NINETY DAY DELAY ON SAN FRANCISCO LINE

Railroad Wants Extension of Time Before Start of Construction

The Western Pacific railroad Saturday asked the interstate commerce commission for a 90-day extension of time in which it must begin construction of its new line from Niles to San Francisco, according to dispatches from Washington.

The commission's original permit ordered the railroad to start work by April 1, but Saturday's petition declares that negotiations with the Southern Pacific for use of the later's bridge over the bay at Dumbarton have delayed the project.

The Western Pacific sets forth that it cannot determine the location of its right-of-way until the question of joint use of the bridge has been settled. The extension of time asked would delay the start of construction until July 1.

When the interstate commerce commission granted the railroad permission to build the thirty-nine mile extension of its main line, its decision estimated that forty-five per cent of the construction cost would be eliminated if joint trackage rights over the Southern Pacafic bridge and a few miles of track at each end of the span could be secured. Cost of the project, including construction of a new bridge, has been fixed at $7,997,353. Joint trackage rights would reduce the cost to $4,392,352, the decision estimated.

Negotiations between the two railroads have been in progress for several weeks, officials said, but no agreement has been reached.

NILES YOUTH IS HURT AS RESULT OF ACCIDENT

Joseph Damas in San Francisco Hospital With Broken Knee

Joseph Damas, of Niles, is in a San Francisco hospital with a broken knee-cap as the result of a queer accident involving three motorcycles near the Castlewood country club, on the Sunol-Pleasanton road Sunday.

A companion, Ernest Pacheco, of Oakland, is in a hospital in that city with one arm fractured in two places and a severed finger.

Damas and Pacheco, each astride a motorcycle, were traveling toward Pleasanton. Rounding a sharp turn they met another motorcycle which crowded into them on the curve, wrecking all three machines.

Riding on the third cycle were Mr. and Mrs. Bernard Trombatore, of Antioch who were taken to a Pleasanton hospital to recover from more or less minor injuries.

Undoubtedly the most seriously injured is the Niles youth. At first it was believed his chest had been crushed but examination revealed only severe bruises. The knee-cap injury in itself, however, is a difficult injury to patch up, but the outlook at present is bright for Damas' ultimate recovery.

FIRE DESTROYS HOME ON JOHN SANTOS ROAD LATE MONDAY NIGHT

W. Calf and Family Were Absent During Time of Conflagration.

Fire of unknown origin gutted the home of Mr. and Mrs. W. Calf on the John Santos road Monday evening. The house was empty at the time of the blaze, the entire family being in Oakland.

The Centerville fire department under Chief Fred Rogers responded with two trucks and ten men to an alarm turned in at 10:25 p.m.

Flames were leaping skyward from a roofless shell of a building by the time the department arrived. Two hours of work put the fire completely out, leaving but the charred walls and sagging lower floor in place.

The entire furnishings of the home, including clothes, piano, radio, electric mangle, and other articles were completely destroyed. The roof, upper floor and most of the room partitions went up in smoke leaving only the outside walls standing.

The family, including two children, had left for Oakland early in the afternoon. Fire, starting inside the tightly closed house, blazed through the various rooms finally eating its way through the kitchen roof. With the collapse of this roof and the resultant air circulation through the house, the fire with practically one gulp consumed the remainder of the building.

The flames were noticed by Manuel Silveira, of Mission San Jose, as he passed along the Irvington-Centerville highway on his way home from lodge meeting. He investigated, returned to Centerville, and turned in an alarm.

Neighbors near the burning house were awake listening to the radio at the time of the fire but did not discover it till fire engines arrived. From the home of Manuel Alameda, owner of the burnt bulding, across the road Mrs. Alameda noticed a light in the kitchen windows shortly ater ten, but, thinking it the Calf family returned from Oakland, failed to become alarmed.

Calf was employed at the Pacific Gas and Electric company's sub-station near Newark. No cause for the fire could be determined.

GARAGE EMPLOYEES' MEETING REVEALS DEVELOPMENT PLAN

Rose Garage Employees Meet in Niles Club Rooms Friday

Two representatives of the Chevrolet Motor Company spoke at a meeting of employees of the Rose Garages last Friday night. The meeting was held in the clubrooms recently built in the Niles garage by Ed Rose, owner of the local concern. Twenty-four employees were present.

At the meeting Rose told of recent improvements in his organization and of development plans for the near future. Two new men were recently added to the force of employees, as well as some new tools and other mechanical equipment. Under construction at the present time are three service cars. When these are completed a fleet of six service trucks will be ready to be used at any time by his garages.

Construction of a garage in Irvington is scheduled to start in the near future, according to Rose. The new Rose Garage will occupy the building formerly housing the old Corey Garage. A corner of the building will be cut off to make room for a two-pump service station. The remainder of the building will be taken up with salesrooms and repair shops. Actual work will start as soon as structural steel, already ordered, arrives from the east. This should be within the next two weeks, according to Rose.

TWO JOIN LIST OF SCHOOL BOARD CANDIDATES

Two additional candidates have high school trustee election to be announced themselves for the held March 27.

After a great deal of persuasion on the part of many friends, Frank T. Dusterberry, of Centerville, has announced himself as a candidate for trustee of Washington Union high school.

Dusterberry has for many years been a successful banker in Centerville and has served on the Centerville grammar school board for over a decade, and his friends feel he would make an ideal trustee on the high school board.

A. F. Bettencourt, of Centerville, has also come out for re-election to the board. He is one of the present trustees whose term ends this spring.

Four candidates are now in the field, two of whom will be elected. They are Bettencourt and Dusterberry, of Centerville, John Oliveira, of Mowry's Landing, and James Logan, of Alvarado.

MOTOR THIEVES ARRAIGNED AT COURT TUESDAY

Four Speeders Add $35.00 In Fines to Court Coffers.

Two Rodeo men, David McCardell and Earl W. Pihlstrom, were arraigned before Judge J. A. Silva Tuesday on a charge of burglary. Preliminary examination was set for next Tuesday.

The two were arrested on a warrant sworn to by E. P. Glassbrook for the Public Utilities California Corporation. They are alleged to have stolen a motor from the pump house of the water company on February 17. Several other thefts of stationary motors in the vicinity about the same time are thought to be the work of the same pair.

At the same court $35 was netted from speeders' fines. Traffic offenders were Eric Lokner, of Berkeley, $10; J. H. Spring, of Los Gatos, $10; L. A. Kirchener, of Oakland, $5; and Harry Beal Torrey, of Palo Alto, $10.

Frank Ferry, Lawrence Pine, and Jack Townsend were visitors of Maynard Morris in Alameda Saturday night.

PONCE ATHLETIC CLUB WOLLOPS LESLIES

The Leslie Salts lost to the Ponce Athletic Club, Sunday with a score of 6 to 3.

The Leslies were leading until the fourth inning when an error by the second baseman allowed the Ponces to score two runs. Both pitchers deserve much credit.. Malatesta did some outstanding hitting with five hits out of five times at bat. Jacinto was high man for the Leslies with three hits out of four times up.

Today's Scripture LESSON

By Rev. John R. Stevenson

The Lord bless thee, and keep thee; the Lord make His face to shine upon thee, and be gracious unto thee; the Lord lift up His countenance upon thee, and give thee peace.—Num. vi: 24-26.

O Love, how cheering is Thy ray!
All pain before Thy presence flies;
Care, anguish, sorrow, melt away,
Where'er Thy healing beams arise.
O Father, nothing I see,
Nothing desire, or seek, but Thee.

Anselmo Is Again Baseball Captain

Re-election of Julius Anselmo to the captaincy of the Amador Valley High School baseball team was announced this week by members of the squad following a team meeting Monday afternoon.

Anselmo was a very popular captain last year when he was a junior, and the baseball squad voted to retain him in that post for the 1931 season. Anselmo is varsity pitcher.

Anselmo Holds Deaf Baseballers to Two Hits On Pleasanton Grounds

First League Game Finds A. V. H. S. Winning by Score of 33-3.

Behind the airtight pitching of Julius Anselmo, who allowed only two hits and fanned thirteen batsmen, the Amador High school Dons chalked up their first league victory last Friday afternoon by the overwhelming score of 33 to 3. the Califonia School for Deaf, of Berkeley. The game was played on the Amador diamond at Pleasanton, before a fair sized crowd.

This record of two hits is the best performance ever turned in by a high school pitcher in this district, Coach George Patterson declared in commenting upon the game. "The team made a good showing," Coach Patterson said, "and if the boys keep up the good work they will be among the top positions at the close of the season."

The mute team put two pitchers in the box in an effort to stem the storm of base hits from the bats of the Dons, but to no avail, the Pleasanton boys garnering 23 bingles. Pauol led the Don batsmen with five hits in six times at bat.

The fact that the Amador Dons were playing a mute team had its effect upon the rooting section, there being practically no cheering even though there were many exciting moments.

The Dons starting line-up: Anselmo, p; Bottini, c; Kelly, 1b; Miller, 2b; Andrade, ss; Marino, 3b; Silva, lf; Paulo, cf; and Nerton, rf. Silver, Viada and Safreno also were used in the game by Coach Patterson.

Educational Week In Pleasanton To Be Event Officially Observed

Committee Is Appointed To Make Township-Wide Program

Official observance of Educational Week was sanctioned by the schools of Pleasanton Township at a meeting held in the home of T. H. Silver in Pleasanton last Thursday evening.

The program will be given at the Amador Valley High School the week of April 20, it was said.

The purpose of observing Educational Week is that the parents may become better acquainted with the work being carried on in the schools and become better acquainted with the instructors who have charge of their children during the day.

The exact date for the program will be set at a later meeting of the committee, it was said. It is planned to bring a speaker of merit to Pleasanton for the occasion.

Members of the committee are: T. H. Silver, chafrman, H. N. Hansen, William F. Hall, V. Bernard Johnson, and R. O. Moyer, all of Pleasanton; and George Richards and Claude Freeman, all of Sunol.

FOOT TROUBLES

How they are quickly corrected by the newest and most advanced scientific methods. Read what this Hayward lady says:

Hayward, Calif., March 6, 1931.

Dear Mr. Olson:

For the last six years I had been suffering from foot trouble. I could hardly stand on my feet, as they would cause sharp pains to run through my body. I had tried with many doctors in San Francisco and Oakland without obtaining any results. After the first few treatments from you I felt much better, and now I can do all my work, as my feet do not bother me at all. Your treatment has done wonders for me.

I believe anyone suffering from foot trouble should consult you, as your system of treatment is the best I have seen used by any doctor.

You may print this letter if you wish, or if anyone would care to write, my address is Box 279, Grove Way Street, Hayward, California.

Yours Sincerely,
MRS. J. R. COSTA.

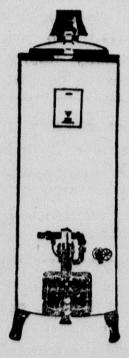
Dusty *and* tired?

Here's all the HOT WATER you want no waiting..no bother

Isn't it a comfort to have hot water at the turn of a faucet? When you come home dusty and tired a refreshing hot bath is yours without delay or bother. It adds to your looks, keeps you young, and doubles your comfort.

Hot water when it is instantly available saves time. There is no waiting—all household tasks that require hot water can be done easier and quicker. The minutes saved amount to hours each week. These hours are yours to spend as you wish—in shopping, motoring, amusement, or home duties that you have been putting off for lack of time.



The Automatic Gas Water Heater has a Thermostat which turns the gas on and off. It keeps the water temperature at 140 degrees day and night. No gas is wasted. Once hot, water stays hot because the boiler is insulated.

And here is pleasing news—this automatic hot water service costs less than one-fifth of a cent per gallon, the lowest cost of any method of heating water in the home.

For full details as to how you can have an Automatic Gas Water heater in your home, see local dealers or call at our office.

NEW JAIL UNIT BEING ERECTED IN PLEASANTON

Bastille Will Be Ready For Use by Next Monday

Pleasanton's new jail should be in readiness for occupancy by Monday of next week according to Frank Gross, of Salt Lake City, who is here supervising the erection of the bastille.

Council purchased the jail unit in January and the material was shipped from a northern city, arriving in Pleasanton on Sunday. It was unloaded by a crew of workmen on Wednesday and Thursday after which the erection was started immediately.

The old cell blocks, which were of wood, were torn out to make room for the new unit. This jail is of sufficient capacity to house six prisoners in cells and as many more in the corridor if there should be a need for additional space.

It is said that the jail unit now being installed is of the latest type and has conveniences of all descriptions. Every thing is of steel. The beds, of which there are two in each of the three cells, fold back against the wall and afford considerable extra room for prisoners. The chairs and tables also fold back when not in use.

Each cell is equipped with sanitary fixtures and will be heated from the new natural gas heating unit recently installed in the fire house in Pleasanton.

WASHIGNTON WINS OVER HAYWARD IN FACULTY SERIES

Local Teachers Decisive Victors in Game Monday Night

In a return basketball game between the Hayward high school faculty and the Centerville teachers Monday night, the Centerville five won with a score of 29 to 26. The game was played in Hayward.

Centerville won, 26 to 25, in the first game in the local gym last Friday night. The game, although closely contested, left the Hayward team thoroughly exasperated at the decisions of the referee, a local boy.

Tommy Fitzpatrick, well-known bay sports official, refereed Monday's game, which left no doubt as to the superior playing ability of the Washington men.

Maloney, Washington forward, was the star of both games. He was high scorer Monday night with 15 points. Regli, local coach, and Parrott, of Hayward, tied for second with 10 each.

The box score for Monday night's game follows:

Centerville

BAND BENEFIT PLAY IS SET FOR MARCH 27

Newark's Annual Event to Be in High School Auditorium

A three-act play, "The Little Clodhopper," will be staged in the Washington Union High School auditorium on March 27. This is an annual event sponsored by the people of Newark to help raise funds for the bands' trip to the state contest in Sacramento.

The play deals with the amusing situations of Mrs. Chiggerson-Boggs in trying to make a lady out of Judy Elliott, who would much rather be digging "tatters" out at the poorhouse.

As the "Little Clodhopper," Aileen Steinhoff is supported by the following cast: Ruth B. Townsend as the skittish old maid, Julietta Bean; Elizabeth Laudenslager as Mrs. Chiggerson-Boggs; Louise Yockey as the would-be moving picture actress; Hugh Steinhoff as Ocey Gump, who only enjoys eating and sleeping; Edward Collins, the spry book-agent; George Komas, mother's darling son.

The play is being directed by Mrs. Eva Steinhoff, of Newark,

SHAKESPEARIAN CONTEST NOW ON AT HIGH SCHOOL

Winners to Enter State Meet in Berkeley April 18

Final tryouts for the annual Shakespearian contest to be held in Berkeley April 18 will be held before the student body of the high school on March 27.

In contests now being held in the English classes two winners, a boy and a girl, will be picked from each class. These and any other student who wishes may enter the local finals next week. A boy and a girl to represent the school in the state contest at the University of California in April will be chosen at that time.

Students are judged on style of delivery of approximately twenty-ice lines of Shakespeare, spoken from memory.

TWENTY-THREE ON HONOR ROLL AT HIGH SCHOOL

Sumi Nakashima Receives Five "1's" for the Sixth Time

The highest grade he high school has to offer in all of her subjects since the beginning of the school year in August is the record made so far by Sumi Nakasshima it was revealed with the release of the sixth month's reports last week.

This record is the more remarketable in view of the fact that the girl is taking one more unit than is carried by the average student.

The honor roll of the sixth report is as follows: Eleanor Alt, Kiyo Auira, Joseph Avila, Mildred Durham, Frank Dusterberry, Theo Eliot, Joseph Ralph Faria, Henrietta Flores, Rachel Garcia, Masako Hirabyashi, Chiyemi Kato, Yasuto Kato, Tom Kitashima, Keiko Kago, Sumi Nakashima, Lenora Neves, Louis Neves, Tsurue Sakaki, Alice Sequeira, Ida Sequeira, Donald Spetti, Toshio Tomimatsu, and Hajirmi Tsurumoto.

Honor Student At Amador High Gets Total of 22 Points

Constance Compagna Sets Record For High Grades This Year at Amador

Honor students at Amador Valley High School at the end of the fourth marking period totalled thirteen, it was announced this week by R. O. Moyer, principal. The number of honor pupils increased over the last time, but there was also a surprising increase in those getting failures, it was said.

The senior class led the school with five honor students and only four failures. The junior class had the poorest record with but two honor students and ten failures. The sophomore and freshman classes had three honored students each. Failures in the sophomore class totalled nine, while the freshmen had but five.

All students receiving F grades are deprived of all privileges in the study hall, and must sit in the F row, not being allowed to confer with their fellow students or leave their seats during the study period.

In order to relieve these students of the monotony of the F row, an arrangement was made whereby those making passing grades at the end of two weeks are removed from the failure row and have their study hall privileges restored.

Miss Constance Compagna, a member of the sophomore class, earned twenty-two honor points during the last marking period, which is the record number of any student in the school this year.

The list of honor students is as follows:

Freshmen: Merle Kamp, Melva Madsen and Mildred Silva.

Sophomores: Constance Compagna, Bob Gibson and Jane Robb.

Juniors: Blaire Logue and Catherine Nolan.

Seniors: William Bottini, Freda Garibaldi, Lloyd Gomes, Bessie Monighetti and Evelyn Silveria.

Amador High School Organizes Club For Student Debators

Membership Held To Those With B Grade In English

Debating teams at Amador Valley High School will be selected from the newly organized Pro & Con club, was the announcement made last week. The name of the club was selected by the members at a prior meeting.

The Pro & Con club consists of twenty pupils who have an average grade of B in English. For the benefit of those who did not have a B grade and who were interested in debating an examination was arranged. This test was a three minute speech and those making a saticfactory speech were eligible to enter the Pro & Con club.

With Ed Gomes as temporary chairman, the club is now working on its constitution, and the nomination of officers for the election which will be held in the near future.

Those who make up the Pro & Con club at present are as follows: Grace Reimers, Olive Tripp, Blaine Logue, Henrietta Woods, Constance Compagana, May Egan, Verna Littlefield, Lorna Blacow, Linda Linsler, Generia Eastman, Arnold Abrott, Jane Robb, Ed Vervais, Frank Marino, Joe Miller, Joaquin Perry, Wilbur Davis, Kenward Sexton and Bill Gibson.

MANY ACCIDENTS DUE TO CARELESS ARM SIGNALING

An extremely high percentage of automobile accidents, which occur on streets and highways of our state, can be attributed either to carelessness in giving arm signals or carelessness in observing them. This statement is made in a message received from Capt. L. A. Eike, of the state highway patrol. During this month, a special statewide campaign for the proper observance of arm signals is being conducted.

"Accuracy in giving arm signals, coupled with alert observation on the part of the driver following, will go a long ways toward reducing automobile accidents, which during 1930 totalled 31,019 in the state of California.

"Not only must a signal be given before turning, which is plainly visible to such drivers as will be affected by the movement," the message further state, "but the signal must be given continuously during the last fifty feet travelled before making the turn.

"The following rules should be learned and applied by every person driving an automobile: Right Turn—extend hand and arm upward and beyond left side of vehicle. Left Turn—extend hand and arm horizontally from and beyond left side of vehicle. Stop (or slow)—extend hand and arm downward from and beyond left side of vehicle.

"An experienced driver recognizes the benefits derived from the use of intelligent signalling."

PLEASANTON HAS NEW STOP SIGNS

VIOLATIONS WILL BRING ARRESTS AND FINES IN TOWN

St. Marys and Division Streets Are Now Designated as Through Boulevards — Pleasanton Avenue Traffic Must Halt.

Stop signs on Pleasanton avenue and Division street, Pleasanton, were erected last Saturday in accordance with an ordinance passed by the council at its last meeting.

The signs are of a large size and are easily seen from more than the distance required by law. They are placed on Pleasanton avenue where it intersects Division and St. Marys streets and on Division street at St. Marys street.

St. Marys street is now a through street for its entire length as is Division street entering the town over the Hopyard road. Division street is a through boulevard going out of town until it merges with St. Marys street.

Five stop signs were erected as a result of the ordinance.

The police department of the town has been ordered to watch these crossings and warn motorists for the first few days and then to arrest all violators.

NEWARK SCOUTS CHOSE LEADERS OF TWO PATROLS

Donald Fuller Appointed Junior Assistant Scoutmaster

The Newark Boy Scout troop permanently divided into two patrols at a recent meeting. Irving Steinhoff is patrol leader and Ernest Phippen, assistant, of the Owl patrol, while Rutherford Rettman is leader with Manuel Gonzalves as his assistant of the Eagle patrol.

The troop elected Frank Gygax as permanent treasurer and gave Scoutmaster S. Scott the power to appoint a junior assistant scoutmaster. He immediately appointed Donald Fuller to that position.

A very interesting talk was given at the meeting by committeeman Louis Ruschin.

Members of the two patrols follow:

Owl—Irving Steinhoff, Ernest Phippen, Philbert Rose, Frank Gygax, James Dias, Richard Texeria, Donald Fuller, Alton Steinhoff, Wilfrido Ramos.

Eagle — Rutherford Kettman, Manuel Gonsalves, John Dos Santos, Niel Beardin, Frank Salles, Alex De Knoop, Frank Phippen, Karl Nordvik.

FORMER NEWARKER DIES

John Paise, former resident of Newark, passed away in Oakland Sunday, succumbing to a spinal disease. Funeral services were held Tuesday at the St. Leo's church. Paise was buried in the St. Mary's cemetery in Oakland.

GLENDALE WOMAN DIES.

Word has been received of the death of Mrs. S. E. Logie, of Glendale, aunt of Mrs. Frank Jones and James Steinhoff. Mrs. Logie will be remembered by many of her old friends as the former Samantha Steinhoff, of Irvington.

Mr. and Mrs. Paul Gygax and daughter, Lucille, of Newark, attended a concert in San Jose Tuesday evening. Paul Gygax, Jr., played in the concert.

PLEASANTON PARK IS BEAUTIFIED BY MORE TREES

Palm From Yard of Claude Smallwood Is Transplanted

Beautification of McKinley park, Pleasanton's municipal playground, is continuing at a rapid pace, it was revealed this week by the town council of that city

During the past week a small grove of trees has been planted at the top of the park near the reservoir, and a large palm tree set out in the park proper.

The trees placed at the top of the park were purchased from the California nursery and are of good size and have added much to the beauty of the grounds.

The palm tree was donated to the park by Claude Smallwood, of Pleasanton. Mayor A. B. Pickard, of that city, supervised the transplanting of the tree from the yard of Smallwood to the park last week.

Eleven To One For Acquittal Is Poll Of Talismen

Pleasanton Jockey Was On Trial For Slaying of Jack Sharkey

IS REMANDED TO PRISON

News of the Disagreement Come As Surprise to Pleasanton Friends.

Isaac Sykes was given a new lease on life by a jury in superior court in Oakland late Thursday afternoon when it was dismissed on grounds of disagreement, and an unofficial poll of the jurors was to the effect that they stood eleven to one for acquital.

Sykes was charged with the murder of Jack Sharkey in the Rose Hotel in Pleasanton on the night of December 26, 1930, in an alleged quarrel over an insult to Sykes fiancee, Mrs. Evelyn Hachman Gomes.

Sharkey was instantly killed when one of the six shots fired by Sykes crashed through his brain. Sykes surrendered to police immediately and confessed the crime, declaring that he shot in self defense when Sharkey came after him. Sharkey was a man of about 200 pounds and Sykes is only 120.

Sykes was brought to trial a month ago and the testimony completed three weeks ago. Since that time the case has been continued from week to week because of the illness of his chief attorney, Wilbur Pierce.

The final arguments were presented in the case Wednesday and the jury received the case shortly before noon today after hearing the judge's charge. The jury had a number of verdicts it could have rendered from first degree murder to acquittal.

The state, represented by assistant district attorney, Charles Wehr, demanded the death penalty. Sykes case was built upon a self defense plea.

Sykes was remanded to the county jail pending a new trial. The report of the jury's disagreement was received with much pleasure by Sykes' friends in Pleasanton.

Center Supervises Vaccination of 279 Children During Smallpox Epidemic — All Departments Work at Top Speed.

Pleasanton's health center was an extremely busy place during the month of February, according to the monthly report of Miss Barbara Bradley, community nurse.

During the month of Ferbuary the health center attendants interviewed 155, and weighed and measured 317 school children. Nine patients were taken to hospitals and nineteen schools visited.

The smallpox and measles were the direct cause of the extra work done by the center. There were 279 children vaccinated under the direction of the center in combating the smallpox epidemic.

It was said by officials of the health center that this was one of the busiest months in years.

TWENTY TONS OF PRUNES BURNED NEAR PLEASANTON

Mongoia Bros. Packing Plant Scene of Blaze of Unknown Origin

Between twenty and twenty-five tons of prunes went up in smoke at the Mongoia Bros. fruit drying plant on the Livermore road early Sunday evening, in a fire of unknown origin.

The blaze had considerable headway before it was discovered and the building housing the prunes was of light timber construction and afforded fuel for the hungry flames.

Added to this fact was another which did not speak so well for the Pleasanton Fire Department. When the township truck arrived on the scene ready to go into action with its new power pump, it was found that there was no gasolene in the tank and it was necessary for one of the firemen to be sent back into town for more motor fuel.

The exact loss from the fire has not been figured, but it will run into several thousand dollars it was said. The loss was partially covered by insurance.

NEW PUMP ADDED TO PLEASANTON FIRE EQUIPMENT

Capacity of 500 Gallons Per Minute Credited To New Equipment

With the installation of a new power pump on the township patrol of the Pleasanton fire department, the fire fighters are now equipped to give almost certain protection over the entire fire district.

The pump is attached to the motor of the truck itself, and is not an independent unit as was the case with the old equipment. The pump has a capacity of 500 gallons a minute with more than a hundred pounds pressure.

The equipment of the pump is such that it will draw its own water from a stream or well and send it out the other side under high pressure.

Backache Getting Up Nights Leg-Pains

Conditions Due to Functional Bladder Irritation Quickly Alleviated by Double Treatment

Quick Test Guaranteed

You can't know the real joy of living, or do your work properly, if functional bladder irritation makes you Get Up Nights, suffer Backache, Frequent Day Calls, Leg-Pains, Nervousness, Burning, Smarting or Excess Acidity. If these conditions depress and discourage you, try the quick-acting Cystex Test.

Quick Acting Double Test

If you suffer from these conditions, you likely will be delightfully surprised at the quick, soothing, beneficial action of Cystex.

Much of the marked success of Cystex is due to its being two treatments in one. Because of this double action most sufferers find that there is no long waiting for results but that their conditions are alleviated almost immediately. One part of the treatment starts circulating thru the system within a few minutes, quickly alleviating urinary irritation and associated painful conditions. The other part of the treatment soon acts as a mild and soothing diuretic to the kidneys.

The ten pure ingredients composing the Cystex double treatment are listed in each package so that you may know exactly what you are taking and can be told by your druggist or doctor that this is a highly meritorious preparation which does not contain any dopes, narcotics or habit-forming drugs.

Internationally Successful

Cystex has had such marked success that it is now demanded in many different parts of the world, and is registered with the governments of twenty different countries, such as England, France, Canada, Australia, Brazil, etc. This rapidly growing demand is largely due to the quick action, unusual merit, and the recommendation of satisfied users who found that Cystex quickly alleviated their conditions, thus eliminating many hours' suffering and worry.

Guaranteed Trial Offer

Don't wait. Don't delay. Get Cystex (pronounced Siss-tex) from any druggist for only 60c, under the Iron-Clad, Money-Back Guarantee. Put it to the test. Use all of it. See for yourself how fast it works. If it does not quickly improve restful sleep and alleviate other discouraging conditions, due to functional bladder irritation, thus increasing your energy and enjoyment of life, merely return the empty package and your money will be refunded.

SUNOL -- DEPARTMENT --

Sunol Boys Organize Scout Troop Saturday

Saturday evening was an important one for the boys of Sunol. Ten of the Sunol boys were invested with their tenderfoot badges and registered as Sunol Troop No. 1 of Boy Scouts of America. The Scout troop from San Leandro put on the ritualistic work of investure, under Mr. Rawley the troop scout master. After the ceremony the boys were presented with their pins by the Sunol scout master, Geo. Richards. Mr. Hopkins of San Leandro was then called on for a few remarks and he congratulated the boys on being a regular organized troop and said that the charter would be sent at once. Mr. Berge of Oakland then presented each of the boys with his certificate and congratulated each scout with the scout grip. The San Leandro troop then put on several little playlets which were very good. The San Leandro scout bugler then showed what had been accomplished in bugling in a short time. The Sunol scouts take this means of publicly thanking the boys and all who took part in the event. The Sunol Chamber of Commerce, who are sponsors of the Sunol troop, are mighty proud of the boys and hope they will soon become first class scouts. There were several parents and friends of the boys present to see the cermony. John Rossi was appointed assistant scoutmaster. Every one is glad to see the enthusiasm with which the boys do things. John will make an excellent assistant.

Edwin Oliver returned from the Livermore hospital Friday. He is recovering nicely from his recent accident at Hetch Hetchy lumber yard.

Call or telephone NOW!

FOUR WEEKS AGO we published this advertisement telling how George Leonhard, 203A Randall St., San Francisco, heard Japanese and New York City stations with the Philco 11-tube Superheterodyne-PLUS *in daytime*. It aroused nation-wide comment. Hundreds of personal inquiries, telephone calls, letters from all parts of the United States have poured in since it was published. Many persons doubted that the radio would do what was said of it. Some of these doubters asked Mr. Leonhard for personal demonstrations. Others called on Philco dealers. Philco again made good. It did *exactly what was said!*

Make Us Prove This!...

You, too, can enjoy superlative performance with the new Philco. Its 11-tube sensitivity and screen-grid power bring enjoyable programs to locations where other radios stand powerless and silent. Its improved superheterodyne selectivity cuts through aerial traffic jams and brings distant programs to you—where other radios get only nearby stations. It is without question the most powerful, sensitive and selective radio receiver on the market.

...PHILCOS are priced from $69.50 to $312.50 (11-tube Superheterodyne-Plus radio-phonograph combinations with automatic record-changer). The Superheterodyne-Plus Lowboy, same model as used by Mr. Leonhard in making his record...

SUPERVISORS TO DISCUSS NURSERY ROAD NEXT WEEK

Delegation of Townspeople Expected at Meeting Tuesday Night.

The subject of the proposed extension of Main street through to the Nursery road was not discussed at the meeting of the Alameda County Board of Supervisors Tuesday evening.

It is understood that the matter will be brought before the board at their meeting next Tuesday, and the appraiser's report discussed at that time. It is now up to the citizens of Niles to attend the meeting as a delegation in order to show the supervisors that they are in no mood to brook further delay in the matter.

The California Nursery should be paid only a just and fair sum for damages to their property. Any excessive demands on the part of the Nursery should be met with condemnation proceedings.

DOUBLE BILL AT IRVINGTON SHOW HOUSE SATURDAY

For the first time last Saturday night the Irvington Theater was run under its new management, Gomes Company, present managers of the Alvarado Theater.

Coming Saturday at Irvington is an excellent double-bill program. Belle Bennett, John Haliday, and Dorothy Burgess are the stars in "Recaptured Love." With it will be shown "The Widow from Chicago," featuring Edward G. Robinson, Neal Hamilton, Alice White, and Frank McHugh. There will also be a short subject, "Spanish Onions."

The theater under its new management will show the highest type of screen entertainment in the future, running every Saturday night. Admission prices have been set exceptionally low.

COLLEGE BAND TO PLAY SATURDAY FOR BIG DANCE

Always looking for something novel to offer his patrons at the Garden of Allah, Niles, A. A. Brady, the popular dance promoter, has arranged a "Spot Dance," for the garden this Saturday.

A new novelty band billed under the name of the "Seven College Capers," will furnish the music, and from advance reports a real treat is in store for those who attend.

The dance this Saturday, March 21, will be featured by special stunts and speciality songs by Audrey Howe. There also will be prizes awaiting some member of the dancing throng, it was announced. The usual admission will be charged.

POLITICAL ANNOUNCEMENT

I hereby announce myself as a candidate for re-election to the office of trustee of Niles Grammar School District.

leading a donkey laden with fruit or wood.

"Along the roads were piles of rocks protected by four poles supporting a shade of palm leaves. Elderly women were given work at these places breaking rock at fifty cents a day.

"The huts the natives lived in were studies! The roofs were either old corrugated iron or palm leaves. The beams, doors and window sills were bamboo, and most of the sides were slats. It's safe to say there was not a perfect right angle in a house!

"But the foliage! Sugar cane, cocoanut trees, banana trees, bread, papia, mangoes and the beautiful, large feathery bamboo, like immense ferns. The whole country side is interlaced with many lovely streams.

"The very tips of the mountains were cultivated, terraced to keep the water from draining off.

"We had lunch at the Litchfield Hotel, overlooking the bay and in a beautiful garden. We returned to the boat by train.

"I asked if they had any game—deer or other animals. The reply was no, they used to have very bad snakes, but they introduced the mongoose. He killed all the snakes, and now eats chickens! So the mongoose was not in favor any more.

"We are now on our way to Curacao."

The letter was written from Port of Spain, Trinidad and was dated, March 2. By now the two women are in New York, according to their plans, and will be there for a week or so before leaving for Maine, where they plan to visit friends.
